

Join a Brainstorming Session. Your Ideas Are Important for Our Parish!

The Parish Pastoral Council (PPC) has collected and/or reviewed four data sets gleaned from surveys over the past two years and has synthesized the major themes that arose within all four data sets. The PPC has begun to outline action steps, so we continue the momentum in responding to this data. One of the action steps involves some brainstorming sessions to occur on specific topics during the first four Mondays in May (on Zoom at 7 PM). **The second brainstorming session is scheduled for May 8, and the topic is Community Partnership.** We want to hear from you!

Some questions to consider are:

- Do you think it is important for Holy Cross to partner with other organizations? Why or why not?
- What are local vendors you patronize or other faith organizations that you think can partner with Holy Cross in some fashion?
- Would you attend a Holy Cross event off-site, say at a local vendor? Why or why not?
- What local publications do you reference for neighborhood happenings and news?

To join the Monday, May 8 session at 7 PM, click on the zoom link provided [here](#) or in the Friday Flocknote.
